

# Grundschule – and then?

## The right school for my child

# Grundschule – and then?

## Gemeinschafts- schule

- Learning according to own abilities with skill grids (without grades)
- all-day school

Grundschule

## Hauptschule/ Werkrealschule

- Learning from close-to-life situations
- practical talents

## Gymnasium

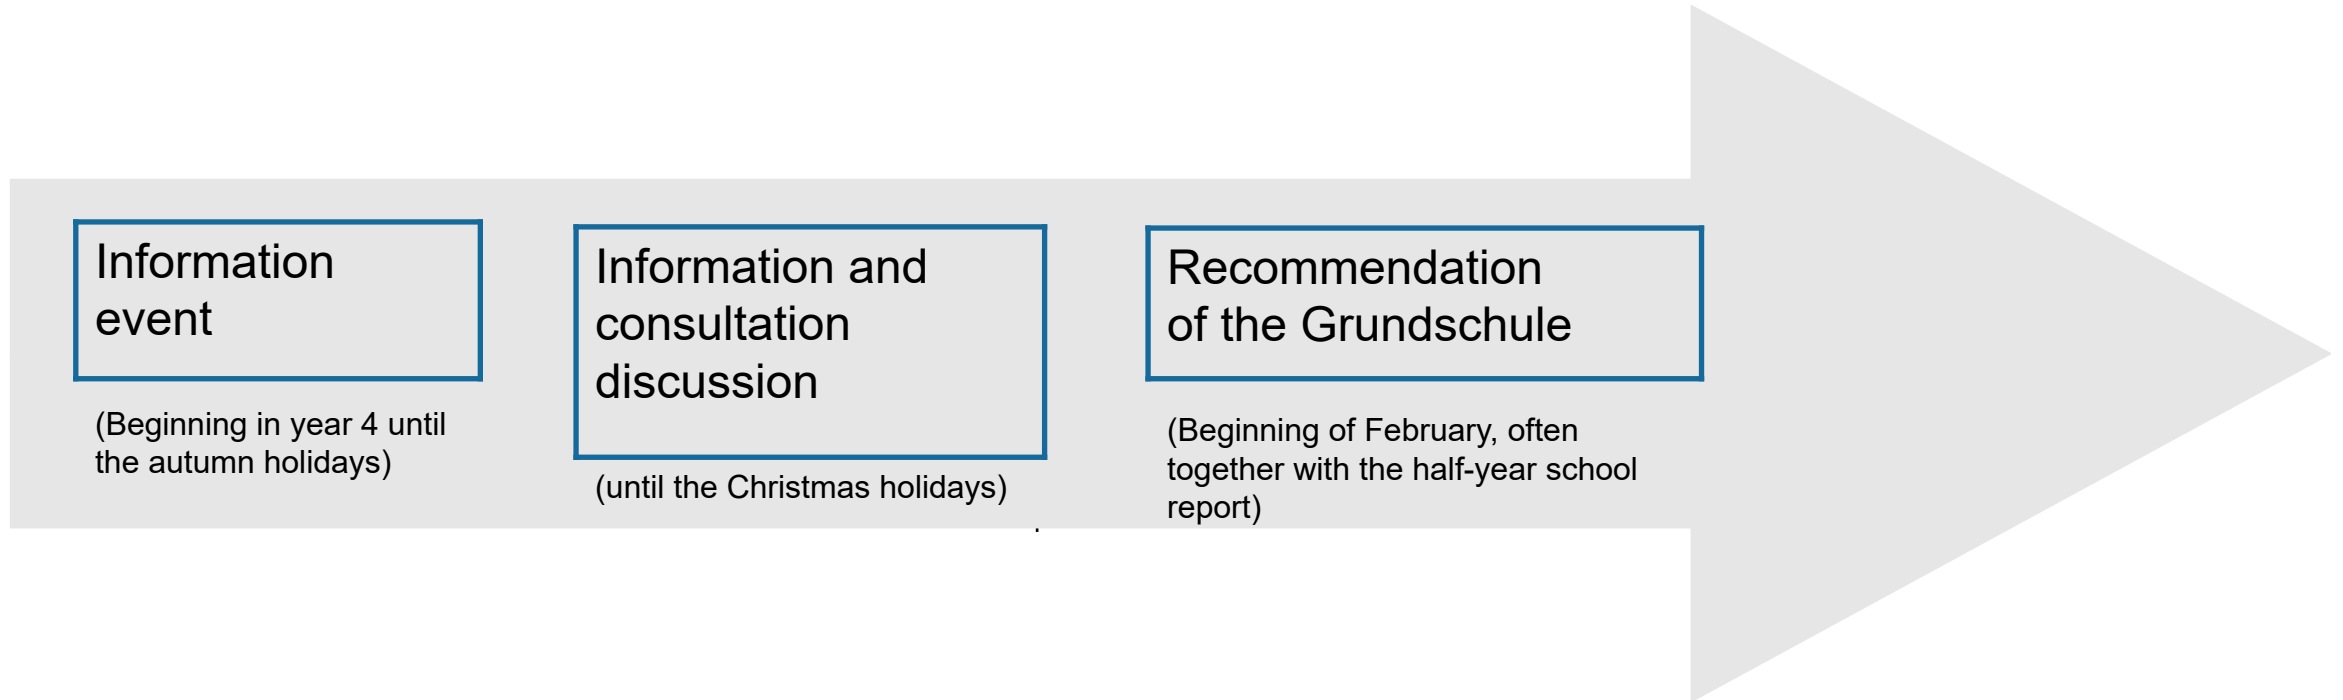

- Learning from theoretical contexts
- fast learning tempo

## Realschule

- Learning with head, soul and hands
- relevance to real life at the centre
- occupational and skills orientation

# Grundschule – and then?

## The transition procedure

# Grundschule – and then?

????

Brothers & sisters /  
childcare situation

Abilities of the  
child (opinion of the  
parents)

**Decision of  
the parents**

The schools  
available nearby

Wish of the child

Recommendation  
of the Grundschule

# Grundschule – and then?

How confident and resilient is my child?

Abilities of the child (opinion of the parents)

How open and interested is my child?

How independently does my child learn?

How well does my child speak and write?

How fast does my child understand explanations, retain them and reproduce them?

## Discussion with your neighbour

1. Which questions were easy / fast / clear / straightforward to answer?
2. Which questions need further observation for you to answer them?
3. Which questions require special trust / self-awareness in a parent-teacher discussion?

# Grundschule – and then?

## The information and consultant discussion

# Grundschule – and then?
